2021:	2022:	2023:

1- Innovation, Investment and Growth

Describe an innovative initiative, an investment, or the growth strategy adopted by the company in the past year. What were the results in terms of impact on the company and the market?

2- Internationalization

Describe initiatives and successes achieved in the international market. What were the objectives of international expansion and how were they achieved?

3- Sustainability and Social Responsibility

Describe the company's approach to sustainability and social responsibility. What are the results in terms of positive environmental impact and community engagement?

4- Financial Performance

Provide an overview of the company's financial performance in recent years. What were the key indicators of financial success (e.g., revenue growth, profitability, margins, etc.)?

5- Partnerships and Collaborations

List strategic partnerships or significant collaborations with other companies or institutions. What was the impact of these partnerships on the overall business of the company?

6- Reasons for Application

Why does the company deserve to win the Business Award? What are the key factors that distinguish it from other candidates?

7- Attachments (Optional)

Kindly attach the company profile, a brochure, or any other material supporting the application (such as financial statements, case studies, customer testimonials, etc.), provide instructions on how to do so.

Consent and Acceptance

I confirm that I have read and accepted the rules and selection criteria of the Business Award. (Check the box to confirm)
